

Javier Herrero

EDUCATION

- **Universität Bonn** October 2024 - September 2026
MSc. in Mathematics Bonn, Germany
 - Grade (Provisional) : 1.1
 - Master Thesis: *Moduli of Representations of Quivers and Tautological Bundles*, supervised by Prof. Tudor Padurariu
- **Universidad de Sevilla** September 2020 - June 2024
BSc. in Mathematics Sevilla, Spain
 - Final Grade : 9.8/10
 - Bachelor Thesis : [Derived Categories and Localisation](#) (in Spanish).
 - 186/240 ECTS with "Matrícula de Honor" distinction (top 5 % of the class)

TEACHING

- **Universität Bonn** Academic Tutor
Bonn, Germany October 2025 - March 2026
 - Teaching and marking duties for the course *Algebraic Geometry I* of the MSc. Mathematics at the University of Bonn.

AWARDS/FELLOWSHIPS

- **Fulbright Scholarship Nominee** July 2025
Fulbright Program
 - Nominated for a Fulbright scholarship to pursue PhD studies in Mathematics in the US.
- **"la Caixa" Fellow** June 2024
"la Caixa" Foundation (Personal Fellow Webpage) 
 - Awarded with a [Postgraduate Studies Abroad "la Caixa" Fellowship](#) covering all expenses during my Master's studies at the University of Bonn.
- **Real Maestranza de Sevilla Award** March 2025
Real Maestranza de Sevilla
 - Best academic record among all graduating students of the Mathematics department in the year 2023-2024 at the University of Seville.
- **Premio Extraordinario Fin de Carrera** November 2024
Universidad de Sevilla
 - Best academic record of my cohort within the BSc. of Mathematics at the University of Seville.
- **Second Prize at IMC 2022** August 2022
University College London (Official Results) 
 - Awarded a Second Prize at the International Mathematics Competition for University Students.

RESEARCH EXPERIENCE

- **Research Seminar** April 2025 - July 2025
Universität Bonn
 - Developed a research project with the name *Reflexive Modules* under the supervision of Dr. Rene Marczinzik.
 - Currently working on a publication titled *Reflexive Modules in Nakayama Algebras* related to this collaboration.
- **Research Student** July 2024 - September 2024
IMUS (Mathematical Institute University of Seville)

- The Research stay fully funded with a PI3 Introduction to Research Grant provided by IMUS under the supervision of Fernando Muro.

- **Research Student**

June 2024 - July 2024

ICMAT (Madrid's Mathematical Institute)

- Research stay fully funded by a Severo Ochoa "JAE" Introduction to Research Grant under the supervision of Prof. Andrei Jaikin-Zapirain (UAM).

- **Collaborator Student**

October 2023 - June 2024

Algebra Department, Universidad de Sevilla

- Research project under the supervision of Prof. Fernando Muro with a Collaboration Grant of the Spanish Education Ministry.

TALKS/SEMINARS

- The Derived Category of a GIT Quotient - Graduate Seminar on "Stacks, matrix factorizations, and the D-equivalence conjecture" (Universität Bonn), planned for May 2026.
- Tensor-Triangular Geometry : An Overview - BYMAT 2025, November 2025
- The Balmer Spectrum of the Stable Category of a Finite Group (Scheme) - BIREP 2025, August 2025.
- Reflexive Modules in Nakayama Algebras (joint with J. San Martín, M. Zaucer) - Oberseminar Representation Theory (Universität Bonn), July 2025.
- The Balmer Spectrum of Perfect Complexes of a qcqs Scheme - Graduate Seminar on tt-Geometry (Universität Bonn), May 2025.
- Global Invariants in Manifolds : DGAs, A_∞ -algebras and Operads - IMUS, September 2024

VOLUNTEERING EXPERIENCE

- **Volunteer Student at 9th ECM**

July 2024

European Mathematical Society

- Volunteer student at the European Congress of Mathematics organised in Seville, 2024.

- **Volunteer Tutor**

September 2023 - June 2024

CADUS, Universidad de Sevilla

- Mentoring a student of the Mathematics Faculty with a learning disorder through a program coordinated by the University of Seville.

ATTENDED WORKSHOPS AND SCHOOLS

- **BYMAT 2025**

Universidad de Sevilla/IMUS

November 2025

(Conference Webpage) 

- Conference for graduate students with multiple parallel sessions.

- **BIREP 2025 : Finite Tensor Categories**

Universität Bielefeld

August 2025

(Workshop Webpage) 

- One-week school on Finite Tensor Categories.

- **Dynkin Classification Spring School**

Ruhr-Universität Bochum

March 2025

- One-week course on the Dynkin classification.

- **JAE Summer School of Mathematics**

ICMAT

July 2024
