

Jon Mikoš

jmikos@sissa.it • +39 347-397-1043 • +386 41-760-305

Citizenship: Slovenian • Date of Birth: 15/07/2000

Research interests

Enumerative geometry, geometric invariant theory, algebraic geometry, quantum groups.

Education

- | | |
|----------------|--|
| 2025 – Present | SISSA – Trieste, Italy
PhD in Geometry and Mathematical Physics |
| 2022 – 2025 | University of Ljubljana – Ljubljana, Slovenia
Masters Degree in Mathematics
Mentor: izr. prof. dr. Klemen Šivic. <i>Grade: 9.81.</i>
Thesis: Moduli Spaces and Geometric Invariant Theory. |
| 2019 – 2022 | University of Ljubljana – Ljubljana, Slovenia
Bachelors Degree in Mathematics
Mentor: prof. dr. Jakob Cimprič. <i>Grade: 9.75.</i>
Thesis: Nullstellensätze. |

Honors and scholarships

- | | |
|-------------|---|
| 2015 – 2025 | Zois Scholarship (Javni štipendijski, razvojni, invalidski in preživninski sklad Republike Slovenije)
<i>The scholarship is awarded separately for each rank of education and is awarded based on grades and at least one extraordinary achievement in competitions during the last two years.</i> |
| 2024 | Participation at the programming contest ICPC EUC 2024
<i>Member of the first Slovenian team to have qualified for the European level of the competition.</i> |
| 2023 | 8th pair in the West Division of the 2023 Simon Marais Mathematics Competition |
| 2020, 2021 | Dean's award for great academic performance |

Teaching experience

- 2021 – 2023 Computer Lab assistant at the University of Ljubljana, RP (FIZ): Computer Lab for Physicists
Introduction to Python. Running the tutorials for one group of students and preparing some of the tasks on the final exam.
- 2021 – 2023 Leader of a high school programming club at Gimnazija Vič
Introduction to Python and preparation for high school programming competitions.

Talks and tutorials

- August 2023 Infinite Games
A 3-hour workshop on infinite games. Part of a summer school in mathematics at the University of Ljubljana for interested high schoolers.

Volunteer work

- July 2023 Student volunteer at the conference Positivity XI
Helping at the registration desk and technical support during talks.
- September 2022 Student volunteer at the conference ICFP 2022
Helping at the registration desk and providing support to the section leaders.

Other interests

Going to the gym, swimming and volleyball. Also playing bridge since 2022 with some national level success.
