

Davide M. A. Muniz

Curriculum Vitae

+39 352 033 6116
dmorrone@sissa.it

Personal Data

Full name **Davide Morrone de Azevedo Muniz**
Place of birth **Brasília, Brazil**

Education

- Current **PhD in Geometry and Mathematical Physics**, *Scuola Internazionale di Studi Avanzati (SISSA), Trieste, Italy*
- 2023-2024 **Master in Physics**, *Master Thesis: Equivariant Localization of Romans Supergravity*, Supervisor: Prof. Dr. Aleksandr Pinzul, Co-Supervisor: Prof. Dr. Carolina Gregory, University of Brasília, Brasília, Brazil
- 2018-2022 **Bachelor in Physics**, *Final Project: Studies In $\mathcal{N} = 4$ Super Yang-Mills*, Supervisor: Prof. Dr. Aleksandr Pinzul, University of Brasília, Brasília, Brazil
- 2015-2017 **High-School**, *Centro Educacional Sigma*, Brasília, Brazil

Scientific Publications

- 2025 **Localizing Romans Supergravity**, Couzens, C., Gregory, C.M., Muniz, D., Sieper, T., Sparks, J., JHEP 2025, 103 (2025), doi.org/10.1007/JHEP09(2025)103

Fellowships

- 10/2025-10/2029 **Fellowship for PhD Degree**, Sponsored by *Scuola Internazionale di Studi Avanzati (SISSA)*
- 03/2023-03/2025 **Fellowship for Master Degree**, Sponsored by the *National Council for Scientific and Technological Development (CNPq)*
- 09/2021-09/2022 **Fellowship for Scientific Initiation**, Sponsored by the *National Council for Scientific and Technological Development (CNPq)*
- 09/2019-09/2020 **Fellowship for Scientific Initiation**, Sponsored by the *National Council for Scientific and Technological Development (CNPq)*

Research Experience

- 2024-2025 **Scientific Research**, *Scientific paper about Equivariant Localization of Romans Supergravity*, Collaboration between Sparks, J., Gregory, C., Couzens, C., Muniz, D. and Sieper, T..
- 2021-2022 **Undergraduate Research Project**, *Studies in Conformal Field Theories with applications to the AdS/CFT correspondence.*, Supervisor: Dr. Aleksandr Pinzul

2019-2020 **Undergraduate Research Project**, *Studies of the geometries de Sitter and anti-de Sitter*, Supervisor: Dr. Aleksandr Pinzul

Teaching Experience

- 09/2022-12/2022 **Teaching Assistant**, *Teaching Assistant in Quantum Mechanics A*, University of Brasília, Brasília, Brazil
- 03/2021-07/2021 **Tutoring**, *Tutoring in History of Mathematics*, University of Brasília, Brasília, Brazil
- 03/2021-07/2021 **Teaching Assistant**, *Teaching Assistant in Classical Mechanics A*, University of Brasília, Brasília, Brazil
- 03/2021-12/2022 **Teaching Assistant**, *High-School Teaching Assistant in Physics*, Centro Educacional Sigma, Brasília, Brazil
- 09/2020-12/2020 **Teaching Assistant**, *Teaching Assistant in Mathematical Physics A*, University of Brasília, Brasília, Brazil
- 09/2019-12/2019 **Teaching Assistant**, *Teaching Assistant in Mathematical Foundations of Physics A*, University of Brasília, Brasília, Brazil

Languages

Portuguese Mother Tongue
English Good
Spanish Basic
Italian Basic

Events and Congresses

Presentations

- Nov. 2024 **Oral presentation**, *Oral presentation entitled Equivariant Localization in Romans Supergravity*, XIII EFRAS, University of Brasília Brasília, Brazil
- Nov. 2024 **Oral Presentation and Poster**, *Oral presentation and poster entitled Equivariant Localization in Romans Supergravity*, XIX Physics Week, University of Brasília Brasília, Brazil
- Oct. 2024 **Poster**, *Poster entitled Equivariant Localization in Romans Supergravity*, XLVII Congress Paulo Leal Ferreira, Institute of Theoretical Physics - ICTP SAIFR, State University of São Paulo (Unesp) São Paulo, Brazil
- Sep. 2023 **Oral Presentation**, *Oral presentation entitled Equivariant Localization and AdS/CFT correspondence*, XVIII Physics Week and XII EFRAS, University of Brasília Brasília, Brazil

Nov. 2022 **Poster and Virtual Presentation**, *Poster and virtual presentation entitled “Studies in Conformal Field Theories with applications to the AdS/CFT correspondence.”*
, XXVIII Congress of Scientific Initiation, University of Brasília
Brasília, Brazil

Participation

Jul. 2023 **CBPF School**, *Brazilian Center of Physical Research (CBPF)*, Rio de Janeiro, Brazil

Jun. 2023 **Holography at 25**, *Institute of Theoretical Physics - ICTP SAIFR, State University of São Paulo (Unesp)* , São Paulo, Brazil
